Mahmoud Hatem

Front-End Developer

Address: Cairo, Egypt | **Phone:** +201022485441 | **Mail:** mahmoudhatem720@gmail.com | LinkedIn | GitHub

Objective

Highly skilled and motivated React Front-End Developer and Artificial Intelligence student with strong foundations in programming, problem-solving, and modern web development. Proficient in HTML5, CSS3, JavaScript, and React.js, with additional experience in C++ and Python. Passionate about building responsive, user-friendly, and maintainable web interfaces while continuously improving technical skills through the DEPI React Front-End track and hands-on personal projects. Seeking an opportunity to contribute to real-world projects and grow as a professional Front-End Developer.

Education

Helwan International Technological University (HITU) — Cairo, Egypt
Bachelor of Technology in Artificial Intelligence — Sep 2023 – Present
